

TO:  
Alex Borg  
ITS Malta Secretary General,

Rome, 17 September 2013

On behalf of TTS Italia - Italian ITS Association, I would like to express all my support to ITS Malta and to its Secretary General for the great efforts put together to create this new Association.

It is a pity for us not to be able to attend the launch event in October: TTS Italia strongly supports and encourages any initiative related to the development and deployment of Intelligent Transport Systems (ITS) and we are absolutely convinced that the ITS Associations are one of the most effective manner to spread awareness and Knowledge among users on ITS benefits.

TTS Italia is willing to collaborate with ITS Malta and to establish bilateral contacts and agreements in order to reach new and profitable results.

TTS Italia wish all the best to ITS Malta. Good luck!

Yours sincerely,

Olga Landolfi  
Secretary General  
TTS Italia
